

The Front Range Alumnus Chapter
of The Tau Beta Pi Association
Meeting minutes for
June 7, 2012

- It was decided that the deadline for dues would be extended until the end of May 2013. Voluntary dues of \$10 for 2012 membership are still welcome.
- A website for our chapter was created by Michael Pierce. The address is: sites.google.com/site/frontrangetbp.
- At a future date alumni from Boulder, Golden and the north Denver metro area will be invited to attend a social gathering hosted by our chapter.
- Colorado Epsilon asked for volunteers to help students with mock interviews and editing resumes in advance of their job fair in February. We hope to generate greater chapter participation in this project. Lillian Chatham will follow up after the beginning of the school year.
- Catherine McCarrell gave a short presentation on a new battery technology being developed by Prieto.
- Next meeting date set for July 12, 2012. Michael Pierce will give a short presentation on a novel geothermal power production system.

Tina Pierce
