

The Front Range Alumnus Chapter
of The Tau Beta Pi Association
Meeting minutes for
July 12, 2012

- It was suggested that we have our alumnus meetings at colleges in the Spring to help in recruiting members.
- The CU student chapter wants to invite the alumnus chapter to a social event in the Fall.
- Our chapter has a \$30 credit with Nationals.
- Additional alumni e-mail addresses have been pulled by zip code south through the Arvada area. It has been suggested that we have regional meetings (based on zip codes), perhaps one per quarter, beginning after convention, to invite alumni to join our chapter.
- Brian Ward will be our Chapter's delegate to the National Convention.
- A request was made by a professor at DU (CO gamma - inactive chapter) for us to help him in polishing the school's Bent.
- Greg Newcomb – District 12 Director, will ask the local chapters to keep us informed about their meetings dates.
- District 12 conference in Denver is scheduled for February.
- Next meeting date set for August 2, 2012 in Boulder.
