

The Front Range Alumnus Chapter
of The Tau Beta Pi Association
Meeting minutes for
December 6, 2012

- The second phase of the recruitment survey was e-mailed to North Metro area alumni. 761 surveys went out, 203 bounced, 62 members responded. The next phase of the survey will cover the Denver area.
- The New Belgium Brewery technical tour in Fort Collins is scheduled for January 26th. There are only 20 spots available. Those interested need to send an RSVP to Catherine McCarrell.
- Erik Hogan of CU is still looking for weekly speakers for his aerospace students. The topic need not be related to aerospace.
- CO A initiated 38 new members this fall.
- CO B initiated 14 new members this fall.
- The Rocky Mountain Medical Technologies Conference will be held at CU in February. They are looking for Biomedical companies interested in sponsoring or recruiting at this conference.
- The chapter Vice President has resigned due to unforeseen circumstances. A replacement is needed. Anyone interested should contact Tina Pierce at FRTBPsecretary@gmail.com.
- Catherine Dahm spoke to the group about her job as a water treatment Engineer.
- The next meeting is tentatively scheduled to be held in Denver on January 10th.

Tina Pierce
Secretary
