

The Front Range Alumnus Chapter
of The Tau Beta Pi Association
Meeting minutes for
January 10, 2013

- CU Denver is holding an internship and job fair on February 22. They are looking for companies to participate. Contact Lillian Chatham at taubetapi.ucdenver@gmail.com for more information.
- In preparation for the job fair CU Denver is also looking for engineers to help with mock interviews for the students on February 12 from 6-7:30pm, and to help edit resumes by e-mail. To volunteer contact Lillian Chatham at taubetapi.ucdenver@gmail.com.
- The District 12 Conference will be held in Denver, hosted by CU Denver, on February 23.
- In conjunction with the District 12 Conference an Alumni dinner will be held in Denver on February 22. Details to be announced at a later date.
- The group discussed options for alumni involvement at the District Conference. A panel discussion or meetings with small groups of students were the most popular options.
- Erik Hogan of CU Boulder is still looking for guest speakers for his aerospace students. The topic doesn't have to be related to engineering or aerospace.
- Richard Gilmore spoke to the group about his work to make coal mines safer with computer models of methane movement.
- The next meeting is tentatively scheduled to be held in South Denver on March 7.
