

The Front Range Alumni Chapter
of The Tau Beta Pi Association
Meeting minutes for
December 7, 2013

- The meeting was held at Diane and Rick Hildebrand's house in Arvada, CO. Nine members were in attendance.
- A big thanks to Diane and Rick for volunteering their house for our holiday party. 13 people attended.
- TBP has started a Pi Day initiative, and encourages all members to wear their bent on Pi Day(3/14/14). We may consider hosting or participating in an event.
- A survey will be sent to list members in the near future to gauge interest in various club social events.
- It was suggested that we have joint meetings with another group in order to interest outside speakers. National Society of Professional Engineers was suggested as they already host joint meetings. A fee would be charged and buffet provided.
- Ideas for a spring networking event were discussed. Hors d'oeuvres could be provided at a local restaurant with meeting room. Or we could host a joint event with a collegiate job fair at either CO-E or CO-A.
- Noelle Cochran is looking for volunteers to help with the DU Math Counts competition on February 8th. Please e-mail me at FRTBPsecretary@gmail.com if you are interested and I will pass it on to her.
- The next meeting is scheduled to be held on February 6th in South Denver.

Tina Pierce
